

Pinellas County Council of PTAs

Health and Safety Award

The purpose of this award is to recognize local PTAs that focus on the health and safety of children by keeping up-to-date on health and safety topics, participate in countywide health and safety events, and offer an effective health and safety related program or event for their school. Local units are encouraged to submit their special program or event if all required activities listed below have been met.

Criteria: Local units must meet the requirements listed below. Health and Safety Programs must be non-profit and support the goals and objectives of PTA, specifically “promote the welfare of children and youth, and secure for all children and youth the highest advantages in physical education.”
