

Kids Are Invited to Attend a Special Water Safety Program

Fun & Games !

Snacks!

Prizes!

Date: 09/15/2011

Time: 6:15 p.m. (meeting at 7:00)

**Location: PCS Admin. Building
301 Fourth Street SW, Largo**

During next PCCPTA General Meeting on September 15th, the Student Liaisons of the Pinellas County Council PTA/PTSA are introducing a special program just for.....

KIDS!!!

Children (ages 5 and up) will learn how to be safe in and around pools and the ocean including the importance of life jackets and what to do if they get lost in an area around water – like at the beach or a water park. This is a program led by students for students.

While the kids participate in this special adult supervised program, parents may attend the Pinellas County Council PTA general meeting and program upstairs.
