

**Please join the Osceola High School PTSA!**  
 (Parent Teacher Student Association)

For just \$6.00 per person you (parents/students) can become a supporting member of the PTSA. Your membership alone helps support your school. You are not committed to anything else by joining. Of course, if you would like to volunteer or get involved with an activity or event, you are always welcome.

Please join and help the PTSA do great things at OHS! Checks should be made out to OHS-PTSA.
