# Pinellas County Council PTA/PTSA

Dear Fellow Child Advocate:

Since 1991, donations from Patron Members of Pinellas County Council PTA/PTSA have enabled us to achieve many goals. These have included providing college scholarships for youth, grants to local schools to attend local, state, and national PTA training and conventions, supporting the National PTA Cultural Arts Reflections Program, as well as special projects such as the Backpack Drive (helping to provide school supplies for children in need). Since Pinellas County Council PTA/PTSA does not fundraise, we rely on the generosity of our Patrons to help us continue to bring advocacy and training to our local PTA/PTSA units throughout the county.

We invite you to become a Patron Member of Pinellas County Council PTA/PTSA (PCCPTA). Your patron donation of \$100 will enable us to continue the successful programs mentioned above and many others. It also will allow PCCPTA to continue to work toward PTA's goal of quality education and nurturing environment for every child and support the vision and mission of PTA.

PTA Vision:  
Making every child's potential a reality.

PTA Mission:  
To make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

As a Patron Member of PCCPTA, you will be recognized on our website and your name will be listed in our newsletter, the Pinellas PTA Courier, which you will receive electronically each month. In addition, a special thank you gift will be sent to you upon receipt of your Patron Membership donation.

With your support as a Patron Member, we can continue to speak for every child, with one powerful voice. Won't you join us in advocating for children?

Sincerely,

Lisa Hoyland  
Patron Chair, Pinellas County Council PTA/PTSA
