Be a Voice Join PTA!

We are dedicated to promoting children's health, well-being, and educational success through strong parent, family, and community involvement.

About PTA

As the largest volunteer child advocacy association in the nation, Parent Teacher Association (PTA) reminds our country of its obligations to

children and provides parents and families with a powerful voice to speak on behalf of every child while providing the best tools for parents to help their children be successful students.

PTA does not act alone. Working in cooperation with many national education, health, safety, and child advocacy groups and federal agencies, National PTA collaborates on projects that benefit children and that bring valuable resources to its members.

PTA Mission:

To make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

Why Join the PTA?

When PTA increases our membership, we strengthen our VOICE!! Your PTA membership demonstrates the importance you place on the education and well-being of children and youth.

When you join a local unit PTA, you also become a member of Florida PTA and National PTA.

PTA offers an opportunity to join the national discussion about America's youth, it offers leaders who listen to and engage you, and it offers a single place where millions of people can come together and commit to improving the lives of all children.
