

Highland Lakes Elementary

everychild. one voice.[®]

Dear Highland Lakes Families:

Welcome to the start of the 2018-2019 school year! This year, Highland Lakes PTA is working to bring some exciting new programs to the school in addition to incorporating some family favorites from previous years.

PTA's goal is to foster a nurturing and caring environment that strives for continued family involvement by helping to build a better educational environment for our children. PTA also promotes a school community where teachers and administrators can do their best work! With the assistance of our amazing families, PTA was able to provide support in the following ways for the 2017-2018 school year:

- | | |
|--|------------------------------|
| Harvest Festival | Myon Reading Program |
| Support of School Clubs | Art Show Support |
| Student of Month program | Walk-a-thon |
| Spirit Wear design | PE Equipment and Toe Tags |
| School Store | Astro Skate |
| Yearbook | Teacher Appreciation |
| Walk to School Day | Breakfast with Santa |
| Books for the Media Center (Battle of the Books) | Bingo Night |
| FSA Testing Materials | Fifth Grade Ice Cream Social |
| Gifted Materials | Omegaman |
| Student Planners | Holiday Shoppe |
| Classroom Support (Classroom Libraries!) | Speech Materials |

In order to continue to support the students, staff and school we need members! With a low yearly membership fee of \$6 per person, membership is simple and cost effective.

Don't have time to volunteer? Volunteering is not a requirement of PTA membership. We welcome your support in any way that you can give it!

Give and receive! Becoming a PTA member allows you discounts and special promotions from businesses such as LEGOLAND, Rapids Water Park, Sylvan Learning, Hertz, Boxed, and LifeLock...just to name a few!

Please join us in our mission to support the students and staff of Highland Lakes Elementary!

Warm Regards,
Highland Lakes Elementary PTA
